Frau Blau & BoBe . . . its time to be a gentleman!

Nephew BoBe has become a slightly young man. It is time for him to stand on his own feet. This is the clear opinion of his Auntie Frau Blau. Time for him to get out of her house.

BoBe is well prepared for the desired self-dependent life:

politeness, perfect behaviour, tidiness and a good appearance from head to toe – from well combed hair to nice tie knot!

Well done! Frau Blau thinks she did a good job. She has been strictly watching over BoBes decent education since he was a little boy.

She proudly presents her masterwork to the public and the unmarried ladies around. Amusing the passers-by BoBe has to prove having learned his lessons:

How to show the right attitude and posture? How to appreciate a lady? What are good table manners? It`s time to be a Gentleman !

And BoBe? He really tries his best to please Auntie and of course the bride-to-be... And in his arousing ambition he starts feeling quite good being a good looking gentleman and cavalier!

But maybe he has his own ideas about a „self-dependent life“???

... about „breaking free“ in an unobserved moment???
